TOWNIE-MARINE
FOOTBALL GAMELarge Excitement Over the Final
Struggle for Football
Championship.The big excitement tomorrow will be
the Townie-Marine game. Owing to
the courtesy of the interscholastic
teams, this will be the only football
game of the day, and it bids fair to
be a good one.The officials will be the same as last
time, save only for the absence of Sam
Johnson, who has gone away to Ha-
waii. Lieutenant Bowen of Fort Shaf-
ter will referee, Bennie Clark will act
as umpire, and while Sam can not be
in two places at once, not being a
bird, there is no difficulty in selecting
a competent field judge to take his
place.This will be the last football game
of the season. After that the soccer
season will start, and the nights of
the padded shoulders will have no more
chance on the field. For this reason,
and also because it will decide the
championship, both teams have made
up their minds to do their very
darnedest.

Akina and Desha.

One advantage of the Punahou-High
game being played today is that both
Akina and Desha will be avail-
able for the Townie lineup. They will
both be a trifle stiff and sore, doubt-
less, but will be able to get through
at least one half of the game.Will Desha is, perhaps, the coolest
player ever seen on a local gridiron.
His retrieve of his own blocked kick
last Saturday was something to ad-
mire, and his speed and excellent con-
dition will make him a most valuable
addition to the Townie lineup.Everybody knows what Akina is on
the field. His terrific rushes to break
interference and the cool way in which
he forms interference himself are both
very good to see.The balance of the Townie team will
be about as usual. They have been
training and practising hard under the
expert supervision of Bill Chilton and
other coaches, and expect to be there
with the goods.

Marines Study Old Plays.

As for the Marines, they have been
working with just one end in view,
and that is to get over the Townie
line. New stunts have not been intro-
duced to any great extent. They have
been practising the old ones, and their
main endeavor has been to make the
best use of their superior weight.Whichever team wins, there is sure
to be a hard game. It is simply im-
possible to forecast a probable win-
ner, as both sides have improved and
have been training with the one idea
of improving on their past perfor-
mances. Few plays will be tried, but
those that are tried will be carried
out cleanly and neatly.BIG LEAGUE VS.
JAP CHAMPIONSIt is now practically arranged to have
a post-season series of baseball games
between the J. A. Cs., the champions of
the Oahu league, and a picked team
from the big league. These games will
start on Sunday, December 5, and will
be best five out of seven. A fine cup
has been put up for the series.Of course there is a chance that the
Japs may lose their game next Sunday
and the Marines win theirs, in which
case the other series will not start until
a week later, or a week after such time
as the championship of the league is
definitely decided.The idea is a good one. A mighty
good one. People are grouching about
"too much baseball" but it must be
taken into consideration that there is
practically nothing else doing on Sun-
day and that baseball will not interfere
with any other sport.The big league will have a chance to
vaunt its boasted superiority over the
Oahu league teams. Perhaps they can
put it over the Japs and perhaps not.The Japs will have one great advan-
tage. They will be playing on their
own ground and before their own crowd.
If they just practise hard enough and
go to it in the right spirit, they should
at any rate be able to make a good
showing. This series is far and away
the most interesting thing in baseball
circles arranged here for many a long
day.What is the matter with another
Marathon race with Jackson, Kaoo and
Tsukamoto entered? This to decide
once and for all who is the real long
distance champion of the Islands. The
Athletic Park people might do worse
than take up such a proposition. Jack-
son has won three and lost one. Kaoo
has won one and lost two and Tsuka-
moto has not won one, but has come
mighty near doing it. Good purses and
proper management should get the run-
ners to going again.Cal Ewing, the president of the Pa-
cific Coast Baseball League, arrived yester-
day morning on the China. He was
not interviewed because he almost im-
mediately boarded the Mauna Kea and
went away to Hilo to visit the volcano.
He will be back on Saturday and will
be an honored guest at the Athletic
Park on Sunday, where he will have
a chance to see the brand of baseball
that is handed out in Hawaii.Parents should give thought to the
importance of a savings account for
their children. Saving is a habit
easily acquired, and with children the
proud of a bank account assists in
forming the habit. See the Bank of
Hawaii, Ltd., about opening an ac-
count.OAHU RAILWAY
